

*Are your precious memories gathering dust, stored away in a shoebox somewhere in your closet? Is it too much hassle to dig them out? Now all your 8mm or 16mm movies, color slides and photos can be transferred into video cassette or DVD for easy viewing on your television. You'll never have to be bothered again with clumsy projection screens, complicated projectors, faded or cracked photos, or buckled slides.*

**WE CAN PERSONALIZE YOUR PRODUCTION!**

*Our experienced personnel can help you put your show together with helpful directions and suggestions.*

**ALL YOUR ORIGINALS REMAIN INTACT AND ARE RETURNED TO YOU!**

	1-4	5-9	10-24	25+
10 min	10.50	9.00	7.05	6.25
20 min	12.76	10.14	7.84	7.24
30 min	15.00	11.26	8.63	8.17
45 min	16.95	12.40	10.27	9.80
60 min	17.95	13.80	11.95	11.50
90 min	18.95	16.44	14.47	14.00
120min	19.95	18.95	17.00	16.63

For more than 50 copies, please ask for special pricing.

All prices include video tape in sleeve.

All prices are based on dupe master being recorded in SP mode.

For dupes from masters in LP or SLP mode with over two hour playback, add \$3.00 per hour (in one hour increments).

We would like to bring to your attention that the quality of the image in tapes recorded in LP or SLP mode is less than in SP.
